- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

(iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

(iii) any page containing the holder's signature;
(iv) any page containing the date of expiry; and
(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

Business - Application for a premises licence to be granted under the Licensing Act 2003

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Operating Schedule

When do you want the premises licence to start?

Business - Application for a premises licence to be granted under the Licensing Act 2003

If you wish the licence to be valid only for a limited period, when do you want it to end?

General description of premises (see guidance note 1)

The Applicant seeks the grant of a new Premises Licence in respect of the premises.

The premises currently benefits from a Premises Licence issued by Southwark Council under licence number 889433. However, a number of the existing conditions and operational requirements attached to that licence are no longer workable for the current business model and day-to-day operation of the premises.
As a result, the existing Premises Licence is no longer considered fit for purpose.

This application therefore seeks the grant of a new Premises Licence that accurately reflects the intended operation of the premises. Upon the grant of a satisfactory new licence, the existing licence will be surrendered.

Concept and Offering
The premises will operate as a contemporary European restaurant with a particular focus on authentic Austrian cuisine. Schnitzel will serve as the signature dish and core menu offering, with guests able to choose from traditionally prepared veal, pork, and chicken schnitzels made using high-quality ingredients and classic Central European cooking techniques.

The wider menu will showcase a variety of European culinary influences, including Austrian, Italian, French, German, and British cuisine. Alongside main courses, approximately eight small plates designed for sharing will be offered, creating a sociable and interactive dining experience.

To ensure continued variety and customer engagement, the menu will evolve periodically, featuring regional and seasonal specialities from across Europe while retaining a selection of signature Austrian dishes that reflect the restaurant's identity and heritage.

Food and Drink Offering
The beverage menu will complement the food offering and include a carefully selected range of wines, premium beers, cocktails, soft drinks, and speciality coffees. Cocktails will focus on both classic serves and European-inspired creations designed to enhance the overall dining experience.

Breakfast and Brunch
In addition to lunch and dinner service, the premises will offer an extensive breakfast and brunch menu. This will include European-inspired breakfast dishes, speciality coffees, and selected international influences. The daytime offering is intended to attract both local residents and visitors seeking a high-quality all-day dining destination.

Trading Style
The premises will operate as an all-day restaurant, serving breakfast and brunch before transitioning into evening dining. The business will provide a welcoming and modern environment that combines traditional European hospitality with a contemporary dining experience.

The concept will offer a distinctive Austrian-led dining experience supported by a rotating selection

of European regional cuisines, providing both consistency and variety while maintaining a clear and recognisable brand identity.

Licensable Activities
This application seeks to authorise the following activities under the Licensing Act 2003:
- The sale of alcohol for consumption on and off the premises.
- Regulated entertainment as detailed within the application.
- Late night refreshment.

The operating schedule has therefore been carefully drafted to reflect the nature of the business and to ensure that the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm are appropriately promoted at all times.

Declaration

[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership]

I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK.

The DPS named in this application form is entitled to work in the UK (and is not subject to conditions preventing him or her from doing work relating to a licensable activity) and I have seen a copy of his or her proof of entitlement to work, or have conducted an online right to work check using the Home Office online right to work checking service which confirmed their right to work.

I/We hereby declare the information provided is true and accurate.
